Objektbeschreibung

Brokerage - Financing - Letting

Advantages of an investment apartment

The investment apartments in Trillple are the ideal way to provide for your own future - security guaranteed for several generations.

- * Solid returns possible
- * Secure asset value through entry in the land register, expected constant increase in value over a period of several years
- * Regular rental income - inflation protection thanks to annual indexation
- * Numerous tax advantages
- * Variable equity investment

Attractive financing solution

We will also be happy to assist you with financing and put you in touch with our exclusive cooperation partner Volksbank.

One process - one contact person

We offer you comprehensive all-round support to ensure that the entire process is time and cost efficient:

1. individual needs analysis and advice- so we meet your personal requirements.
2. purchase via your IMMOcontract advisor - our employees take care of the purchase process.
3. financing via our partner bank - together we offer you attractive financing solutions.
4. letting through your IMMOcontract consultant - our estate agents will find suitable tenants with good credit ratings for you.
5. sub-management by IMA - our in-house property management takes care of the tenant's ongoing support and your concerns.

Your IMMOcontract consultant remains your point of contact throughout the entire process.

Highlights of the project

- * Breathtaking views
- * Rooftop pool with sun terrace at over 100 meters
- * Exclusive concierge service
- * Event kitchens with generous open spaces for individual use
- * Salon with library
- * High-quality planting concept
- * Room heights of up to 2.8 meters
- * Supermarket, tobacconist and restaurants on the ground floor

make the project particularly attractive for tenants.

The stated purchase price is the net investor price. The owner-occupier price amounts to € 789.600.

We would like to point out that there is a close economic relationship between the agent and the client. The agent acts as a dual broker.
